DGH's Response to Pre Bid queries and amendment against GeM tender for 1 Gbps Internet Bandwidth and Replication Service between PDC Noida and SDC, Bhubaneswar

Queries from M/s Reliance Jio

Sr. No	Section no/ Clause no	Description of Clause	Clarification Sought	DGH's Response
1	Type of Service	Leased Line(Point to Point)	Pls Clarify whether P2P Leased Line is required OR Internet Leased Line is required? In case of Point t Point LeasedLine, pls provide addresses of the two ends of the link.	Kindly refer "Type of Service " in bid document. Point to Point Link is required. Site addresses are given in the deatils scope of work document.
2	Item Category	Internet Bandwidth and Replication Service		
3	Type of Service	Leased Line(Point to Point)	Pls revert whether L2VPN between DC Noida and DR Bhubneshwar will suffice the requirement of P2P link?	Yes, provided it gives the required functionality of replication when connected with the DGH router as mentioned in detailed scope of work. Bidder can visit the DGH site for detailed study of existing setup.
4	License of Internet lease line (ILL)	NA	You are asking of NLD License instead of Internet License? Is it correct?	NLD License.
5	License of Lease Line (LL/PP)	National long Distance (NLD)		
6	Static IP required (For ILL)	NA	Seems it is Point to Point Link requirement? Is it correct?	Yes
7	DDOS with Internet Lease line Services	Yes	There is confusion whether the requirement is Internet or Point to Point Leased Line? Pols clarify?	This requirement is not applicable as our requirement is of Point to Point link not Internet Lease Line Service. Please treat this as an amendment

8	Other terms and conditions of the Tender	1.1 The bidder must be a Telecom service provider/ISP having a valid licence as on bid closing date from Govt. of India for providing National long distance Services in India. Copy of License to be submitted with the bid.	NLD license is asked for . The requirement is Point to Point Leased Line and Not Internet. Pls clarify.	Requirement is of Point to Point link
9	Other terms and conditions of the Tender	2.2 All necessary Racks, Mux, Cables, other hardware, software and accessories, except router as mentioned in 3.1 above, to terminate links shall be provided and managed by service provider	There is no section 3.1 mentioned. Pls revert	Kindly read it as 2.1 instead of 3.1.
